#### H. G. FARRELL'S CELEBRATED ARABIAN LUNIMENT TRIUMPHANT OVER DISEASE.

This truly great medicine still goes on, conquering disease, and matching many a poor powerless victim from the grave. By its powerfully shoulding, penetrating and ano-dyne qualities, it restores the use of limbs which have been dyne qualities, it restores the use of limbs which have been palsied for years; and by its singular power of reproducing the synovial fluid or joint water, it cares all diseases of the joints with surprising rapidity. For rheumatism, and affections of the spine and spices, it has proved itself a specific; and for affections of the imag, liver and kidneys, it is a most valuable and powerful acculiary; also, for all diseases of the glands, sendula, gottre or swelled mack, one, one and indeed for almost any disease where an exercised application is required, this malleine stands suparalleled. Sprains, bruises, cramps, wounds, childrains, burns, etc., are specially cured by it.

From Hon. Peley Menord, one of the older settlers in Llino. It gives me pleasure to add my testimeny to the virtues of your great medicine. One of my blooded horses had a swelling over the can of the knee, about the size of a hen's egg.—Some said it was a strain, and some that it was the joint water from the knee, and could not be care j. I mist oil cular the from the first oil cular on it, and all the natureals and omagents and they did no more good than water. I then, by persuasion of my friends, tried H. G. Furell's Arabian Libraria, and I was happy to find it take affect after a few days, and it mally course the noble animal entirely. I think it is decidefly the greatest limine at for horses, as well as bunnas liesh, I ever knew, Tremont, Tazewell co., III., March 15, 1839.

PALSY OR PARALYSIS. Thadeus Smith, of Multi-creek, Tazes ell county, librois, says: "I had bettle use of my arm for for more than a year, by paisy or paralysis the desh had entirely withered away, leaving nothing but skin, muscle, and hone. I tried all the best doctors, and all the remedies I could hear of, but they did no good. I then commenced the use of if, is, Farrell's Arabian Limineer, and a few bottles entirely cured me, and my arm is now as strong and fleshy as the other, it is also first rate for burns, sprains and bruises."

Look out for Counterfeite! The public are custioned against another counterfeit which has lately made its appearance, called W. B. Farrell'. Arabian Liniment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects. The genuine article is manufactured only by H. G. Parrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peovia, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters H. G. before Parrell's, thus-H. G. FARRELL'S ... and his signature on the wripper, all others are counterfeits.

The following commendation is from an agent residing at Trenton. Tennessee.

Thereon, Gibson County, Tenn., Nov. 7, 1848.

Messrs, Scovin & Mzan—Gentlemen: The Hebrew Plaster is becoming popular in this section. There is a lady in this county who says she would not be without this Plaster. for five hundred dollars a year. She was afflicted for some time with an enlargement of the spleen, which gave her a great deal of pain. The swelling and pain inad extended up nearly to the arm-pit, and occusionally she could scarcely breathe. She was confined for a considerble time, during which she was attended by some of our best physicians, but they gave her no relief. She procured a box of the Hebrew Plaster, and it relieved her almost immdiately, and now she keeps a supply of it on hand constantly. These facts you are at liberty to use as you think proper—they are substantially true. Respectfully, yours, &c.

THE UNION OF TWO FOND HEARTS!

Haughtily Rejected. O NE bright, glorious morn, as Jupiter indolently reclined in his palace on Olympus, the Goddess Diana entered, Her beauteous face wreathed in smiles more bewitching than the song of the "Cumacan Sibyl," and seating herself on the knee of the indulgent God, she besought him to grant her permission to lead a Life of perpetual Virginity!

Ther compliant Sire assented to that unnafaral request, and instead of the instead of the SILKEN BONDS OF WEDLOCK, We find the charm-ing Goddess choosing the insipid life of a spotiess Vurin, and in the masculine pleasures of the chase, imagining more transport than in the raptures of commubal bliss. "Her Bearenby Form too hampletty the Prized." And strangely enough preferred the exploit of catching the deer "with horns of Gold hat fell at the foot of Mount Purchasius, on the flowery banks of the dark polible Anadrus" to a state of

"Domestic happiness, the only bliss Of Paradise, that survived the fail," Such a choice, although supported by the prestige of the Goddess Diana, the public is fully assured, is entirely antipodal to the inclinations of The Truly Fortunate and For-

Firmed Lettery Agents and Brokers, Pyfer & Co., No. 1 Light st., Baltimore, Md. Dr. C. Williams-Den Sir:-I take great pleasure in being able to recommend your "Balsam of Wild Cherry and Wood Naptha;" I feel no besitation in saying it is the best remedy I have ever tried for colds, coughs, and affections of the lungs and chest. ATLANTA, February 12, 1852.

This is to certify that I have used Dr. C. Williams' "Compound Pulmonic Ilalson of Wild Cherry and Wood Napiba," for a disease of the Laugs, with which I have been attracted for many years, and found more relief from it than any medicine I have ever used-having used a quantity of Wistar's Balsam and other preparations. I found that Dr. Williams' "Pulmonie Balsam" gave memore relief than any other preparation. I have procured this medicine and formshed it to many of my friends, and they unhesitatingly declare that they have received great and permanent relief from its use, and declare it the best and most effectual remedy for all diseases of the Lungs and Throat. I therefore take pleasure in recommending this very valuable preparation to the afflicted. REES ILLIN
